Letter No.472/C/9., dated the 19th September 1917, from the Commandant, Bangalore Rifles, to the Brigade Major, Bangalore Brigade, Bangalore.

With reference to your No.3037/53/A., dated 10th September 1917, with copy of letter No.6898/4., dated 7th September 1917, from the First Assistant Resident in Mysore.

1. Acting on the suggestion of the Hon'ble Mr. COBB, I called on the Dewan, and asked if he could possibly see his way to modify the restrictions placed on Mysore Government Officials in connection with their xxxx training in the Indian Defence Force, and on my explaining the obligations of Local Service men, he expressed his willingness to do away with class III, which confirms to "B" Class Reservists. The Dewan also appeared willing to allow those now -- classed in the Force as General Service men, to continue in that -- Category, provided they were not sent away from the Station without the sanction of the Durbar being first obtained.

On my reporting the result of my interview with the Dewan to the First Assistant Resident, I was desired to communicate the same to you, with a view that you will kindly address the Hon'ble the -- Resident on the matter, in order that he might reopen the question with the Dewan. In the meantime, I beg to recommend that the -- commission applied for the following:- MMX USHER, METCALFE, RICE, to be held in ~~advance~~ abeyance.

Copy of memorandum No.1071, dated 12th September 1917, from the Commandant, Kolar Gold Fields Rifles, to the Staff Captain, -- Bangalore.

Reference your No.3037/53/A., dated 10th September 1917.

I concur with the proposed classification of Residency and Mysore Government officials who are members of the Unit under my --

command.

No mention is made of C.H. [illegible], Forest Officer, Kolar District. If this can be included in List II.

As regards List IV .. F. DASHWOOD, D.T.M. WHEELER and F. [illegible], clerks at Bethamangala Pumping Station, are at present exempt from -- [illegible] Service till 15th November 1917. These men are ~~xxxxxxxxx~~ stated 9 miles distant from head quarters and cannot be spared in -- the [illegible] training. I would suggest that they be permanently exempted [illegible] as they are employed at Bethamangala.
